

Commodity Credit Corporation, USDA

§ 1465.21

(d) An APO may be modified in accordance with § 1465.24.

§ 1465.7 Conservation practices.

(a) The State Conservationist will determine the conservation practices eligible for AMA payments. To be considered eligible conservation practices, the practices must meet the purposes of the AMA as set out in § 1465.1. A list of eligible practices will be available to the public.

(b) The APO includes the schedule of operations, activities, and payment rates of the practices needed to solve identified natural resource concerns.

§ 1465.8 Technical services provided by qualified personnel not affiliated with USDA.

(a) NRCS may use the services of qualified TSPs in performing its responsibilities for technical assistance.

(b) Participants may use technical services from qualified personnel of other Federal, State, local agencies, Indian Tribes, or individuals who are certified as TSPs by NRCS.

(c) Technical services provided by qualified personnel not affiliated with USDA may include, but are not limited to: conservation planning; conservation practice survey, layout, design, installation, and certification; and information, education, and training for producers, and related technical services as defined in 7 CFR part 652.

(d) NRCS retains approval authority of work done by non-NRCS personnel for the purpose of approving AMA payments.

Subpart B—Contracts

§ 1465.20 Applications for participation and selecting applications for contracting.

(a) Any producer who has eligible land may submit an application for participation in AMA at a USDA service center. Producers who are members of a joint operation will file a single application for the joint operation.

(b) NRCS will accept applications throughout the year. The State Conservationist will distribute information on the availability of assistance, national priorities, and the State-specific goals. Information will be provided

that explains the process to request assistance.

(c) The State Conservationist will develop ranking criteria and a ranking process to select applications, taking into account national, State, Tribal, and local priorities.

(d) The State Conservationist, or designated conservationist, using a locally-led process will evaluate, rank, and select applications for contracting based on the State-developed ranking criteria and ranking process.

(e) The State Conservationist, or designated conservationist, will work with the applicant to collect the information necessary to evaluate the application using the ranking criteria.

§ 1465.21 Contract requirements.

(a) In order for a participant to receive payments, the participant will enter into a contract agreeing to implement one or more eligible conservation practices. Costs for technical services may be included in the contract.

(b) An AMA contract will:

(1) Encompass all portions of an agricultural operation receiving AMA assistance;

(2) Have a minimum duration of one year after completion of the last practice, but not more than 10 years;

(3) Incorporate all provisions required by law or statute, including participant requirements to:

(i) Not conduct any practices on the agricultural operation that would tend to defeat the purposes of the contract according to § 1465.25;

(ii) Refund any AMA payments received with interest, and forfeit any future payments under AMA, on the violation of a term or condition of the contract, consistent with the provisions of § 1465.25;

(iii) Refund all AMA payments received on the transfer of the right and interest of the producer in land subject to the contract, unless the transferee of the right and interest agrees to assume all obligations, including operation and maintenance of the AMA contract's conservation practices, consistent with the provisions of § 1465.24; and

(iv) Supply information as required by NRCS to determine compliance with the contract and requirements of AMA.
